PROGRAMME REPORT FORM**NOTES ON COMPLETION****Activities**

Detail all activities under the headings as listed on top of the form.

Advocacy

Detail approaches to Members of Parliament, local authorities, etc. and the subject of the advocacy.

Projects

List all projects undertaken by the Club, both “on-going” and “one-off”. Explain why the project was undertaken and what it achieved. Do not use initials to describe a project, as others may not understand what is being referred to.

Guest Speakers and Topics

List speakers and topics.

Donations

In addition to listing the amount of money and the recipient, give details of what the money is being used for by the recipients.

Scholarships and Grants

Detail the reason for the scholarship or grant, the basis for it being given, the value and the recipient.

Service

Listening to a guest speaker would not be regarded as carrying out service. Preparation off a submission would be regarded as service. Service carried out as members of other organisations is not to be included.
